Happy New Year

I hope you all had a lovely Christmas and the children are well rested ready to tackle a new term. As you will be aware from the last newsletter, I have taken on a new role as Interim Head of School. Within this role, I will oversee the day to day running of the school and the curriculum, ensuring all pupils take part in rich and engaging lessons. I look forward to working with you all to ensure our pupils have a successful and happy 2017.

If you have any questions or concerns going in to the new term, please contact the class teachers or Phase Leaders in the first instance, who will be happy to answer any questions you may have. Miss Waites and I will also be available and happy to help.

Hannah Stannard, Interim Head of School

Sporting Achievements

Only 3 days in to the new term, I am proud to announce that our Dodgeball Team competed in a tournament, winning all matches and qualifying for the next round of the competition.

We wish them lots of luck for their next round of the competition this week.

Houses

Congratulations to all pupils in the Beech House who achieved the most achievement points for last half term.

Willow	Beech	Oak	Maple
2025	2156	2032	1976

The Heads of Houses are doing a great job of providing playtime and lunchtime activities for the pupils. The last week of term saw pupils take part in 'Bricknell's Got Talent' where pupils performed their acts to the school. Well done to all pupils who took part and well done to Kye in 5JK who was voted the winner with his version of Callum Scott's 'Dancing on my own.'

Expert Learner Programme

Last week the Heads of Houses launched our Expert Learner Programme. Thank you to all of the parents who ensured the pupils had the correct uniform; all staff noted how smart the pupils were looking. Weekly reflections will take place for the pupils to assess how they are performing. Please see over the page for a reminder of the criteria. The children are already sharing their enthusiasm for the programme.
