

Tuesday 24th March 2020

Art / Design Technology

Overall Objective: To select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristic. To use a range of materials creatively to design and make products.

Learning Outcome: To create a collage of the ocean.

Create a collage of the ocean. You can use anything you choose. Why not look for things that you can use around the house. Be creative, we cannot wait to see your master pieces!
