

## Week 4 Maths

Follow this link for help in completing this week's maths tasks. Follow the directions for **week 2 of Summer Term.**

<https://whiterosemaths.com/homelearning/year-6/>

The first video to watch is Angles in Special Quadrilaterals. Once you have watched this, have a go at the first worksheet.

The second task is to watch Angles in Regular Polygons. Once this has been watched, complete the second worksheet.

Watch lesson 3 – Problem Solving. Complete the third worksheet.

Watch lesson 4 – Problem Solving. Complete the fourth worksheet.
