

Mathematics – Percentages

<https://whiterosemaths.com/homelearning/year-5/>

Follow the link above for help in completing this week's maths tasks, which can be found in the 'Week 2' section.

Lesson 3 - Understand percentages

Lesson 4 - Percentages as fractions and decimals

There is a video tutorial for the worksheets which directly link to the maths work provided.

Once you have finished those worksheets, you can attempt to complete the 3 application questions.
