

Here is a representation of a percentage. Part of it has been covered by a star.

1. Explain why each child could be correct.

Rhys

There is less than 60%

Ellis

There is less than 50%

There is less than 30%

Evie

2.. Lilly has a 100 square colour grid.

She colours in 25% of them and says " I have coloured in $\frac{1}{4}$ "

Is she right? Explain why.

3. True or false?

You can write 12.5% as a decimal. Explain your answer

4. Clare reads 150 pages of her 500 page book.

She says " I have read $\frac{150}{500}$ pages, which is $\frac{40}{100} = 40\%$.

Is she correct? Explain why.
