

Theme Overview Year 5 – WC 13.07.20

This week, we are giving you two tasks to choose from. Have a look through both tasks and decide which one you would like to complete. You don't have to do both (unless you would like to)!

We have also added a booklet, which will help you with the transition of coming back to school, that you can complete over the summer. You don't need to print this booklet off. You could use a note book or just use the questions and tasks as discussion points.

We would like to take this opportunity to say well done for all of your hard work during your time away from school. We know how difficult it must have been for you but you have been amazing and should be very proud of yourselves! Thank you also to your wonderful parents/carers/family members who have become your teachers over the last few months. What a wonderful job they have done!

We hope you all have the most wonderful summer holidays. We have missed every one of you and can't wait to see all of your smiley faces back very soon.

Keep laughing, keep smiling and most importantly, stay safe!
