### Activity 1:

Make these adjectives into adverbs!

When the suffix *-ly* is added to a word with more than one syllable that ends in the letter 'y', the 'y' changes to an 'i', e.g. happy + *-ly* = happily.

### Task 3: Fronted Adverbials

Last week, you looked at fronted adverbials for 'where'.

A fronted adverbial is a word or phrase that is placed at the start of a sentence.

They are used to explain how (manner), when (time) or where (place) something happens.

This week, have a go at creating some sentences with fronted adverbials to add detail to the actions of your characters. This could be:

- A hobby they enjoy doing
- Playing with their friends
- Going to work
- The animals in the habitats
- The animals hunting
- The animals in school

#### Example:

Under her damp log pile house, Sally the snake slithered and stretched.

Quickly and excitedly, she adventured out to find her friends.
