Revised Morning Arrangements

Arrangements for Thursday 10th and Friday 11th September

Firstly, I would like to thank you all for your patience and understanding this morning. As I am sure you will appreciate, due to the size of our school we face significant challenges to ensure we are following the guidance to ensure the safety of everyone. Thank you to those parents who adhered to the strict drop off times. This is really important to ensure a safe and calm start to the children's day.

We are fully aware of the difficulties parents with more than one child at the school faced this morning and we hope the amended arrangements will support you.

As from tomorrow, the children in **Year 5** will continue to have a start time of **8.45am** and the KS2 playground gates will be opened at 8.40am. Please ensure you do not arrive on the school site before this time. To help parents with more than one child at the school, the Year 3 and 4 teachers will also be on the KS2 playground at this time so that KS2 siblings can be left with their teachers to avoid parents having to remain on the school site.

To avoid congestion, we are asking all **Year 2** pupils to enter the building at the entrance to the right of the staff car park. This entrance is directly opposite the main school gates and will be clearly labelled. Please can we ask that Year 2 parents do not bring their children to school before 8.55am unless they have siblings with different start times.

The **Reception** and **Year 1** children will still have the same start time of 8.45am and the KS1 playground gate will open at 8.40am. Please ensure you do not arrive on the school site before this time. Please can we remind you that only one adult is permitted to come onto the school site and if possible please do not bring children's bikes. This caused congestion and delay.

Some parents have been asking for advice on what to do if they have children to drop off at different locations at the same time. We are advising these parents to drop off the eldest sibling first before dropping off the youngest child.

I am sure that with these revised procedures and with the support of parents sticking to the strict start times things will run smoothly and safely.

We will send home a letter regarding transition arrangements, including times and drop off locations, ready for your child to start in their new year group next week.

Kind regards,

Hannah Stannard
