Overall Objective: To be able to vary the way I structure my sentences.

Learning Objective: I can vary the way I structure my sentences, e.g. a long, complex sentence to add detail or improve cohesion, followed by a short sentence to add drama.

The carnival float was a palace of beauty moving steadily down the street. I stood mesmerised. I had never seen such a vibrant and colourful display before. Everyone was dancing around me and the ground was shaking with the rhythm of the music. As I took this amazing view in, the carnival crowds surged forward like a huge, roaring sea tiger devouring me in one ravenous bite. For a moment, I couldn't see. I couldn't breathe. Panic. I looked around but I couldn't see my friend. Suddenly, I felt her hand pulling me away. Relief flooded through my body. As we moved on, I felt myself gradually relaxing into the busy, bustling atmosphere of the carnival
