

WC 30 th December 2020	Monday	Tuesday	Wednesday	Thursday	Friday
PE	Christmas yoga: https://www.youtube.com/watch?v=pMeKIAEpWxw				
Communication and Language	We are reading Stick Man. https://www.youtube.com/watch?v=qhfLzw9Gf6Q What is your favourite part of the story? Can you retell the story? Make your own Stickman. What adventures would he go on? Draw where he would go. Label your picture. See which sounds your child can hear, initial, end or all of them and encourage them to try writing the word.				
Phonics	Keep practising your speed sounds. Please email Mrs Perkins (jperkins@bricknell.hull.sch.uk) if you are unsure which sounds you should be working on and she will be happy to help you. Practise oral blending with your child- say the sounds of simple cvc words and see if they can tell you what the word is. If your child has brought any Ditty stories home, ask them to practise reading each one until they can read it fluently - no sounding out. Then have a go at writing it out. Don't forget to use pre cursive letters.				
Expressive Arts and Design/ Understanding the World	This week we are doing some science experiments. Choose one to do, or have a go at both! 1. Salt crystal snow flakes. https://gosciencekids.com/salt-crystal-snowflakes/ ask your child where has the salt has gone, what do they think will happen to the snowflakes left in the water. 2. Freezing and melting. Put some water in a container and put it in the freezer. What will happen to the water? Why? Wait till the water has frozen. What do you think will happen to the ice when we take it out of the freezer? Why? Make some Christmas decorations. Some ideas - a paper chain, a Christmas picture, paper bauble for your tree.				
Maths	Keep practising number 5. Try some simple addition and subtraction number sentences using objects at home. How many different ways can you find to make 5?				
Writing	Make a Christmas card for someone. Have a go at writing the inside. If your child is hearing the sounds in words let them try writing it themselves. If not, write it for them (in pre-cursive handwriting!) and let them copy, practising their letter formation. Also, keep practising writing their own name in pre cursive. If they can do it from memory confidently, show them how to write your name and the names of other family members. Thank you.				

***Please take a picture of anything that you do and put it on Tapestry.**

Any queries this week please email Mrs Perkins: jperkins@bricknell.hull.sch.uk
