

Friday 13th November 2020

Overall Objective :

To identify similarities and differences between creation stories from different faiths.

Learning Outcome :

I can correctly sequence the Hindu Creation Story.

Hindu Creation Story

Read the Hindu Creation Story Powerpoint before completing today's task.

Can you correctly sequence the images with the description of the Hindu Creation Story?

Cut and stick the story in its correct order.

<p>Earth was completely bare so Brahma created flora and fauna giving the animals the senses of touch, smell, sight, sound and movement.</p>	<p>The sound 'om' began to fill the nothingness and woke Vishnu.</p>	<p>An enormous cobra floated on the nothingness. Asleep inside its coils was Vishnu.</p>	<p>In the middle of the lotus flower sat Brahma.</p>
<p>Vishnu commanded Brahma to create the world, then the cobra and Vishnu disappeared.</p>	<p>As Vishnu woke, a magnificent lotus flower grew from his navel.</p>	<p>Before time began there was no heaven, no earth and no space in between.</p>	<p>Brahma split the lotus flower into three. He turned one part into the heavens, he made another part the Earth and the third part of the lotus flower became the sky.</p>
