

WC 11 th January 2021	Monday	Tuesday	Wednesday	Thursday	Friday
Finger Gym	Complete your class's daily finger gym activity on the school website Home Learning section – click here to take you there: https://bricknellschool.co.uk/home-learning-reception/				
PE	Dancing this week! Some of our favourites https://www.youtube.com/watch?v=oe_HDfdmnaM-https://www.youtube.com/watch?v=ea4TVg0_8Dkhttps://www.youtube.com/watch?v=NwT5oX_mqS0				
Communication and Language	Duck in the Truck https://www.youtube.com/watch?v=pICm8MigUQI Listen to the story together. Talk to your child about rhyming words. The sound at the beginning of the word is different but the end sound is the same. Can they hear them in the story? Listen to the story again pausing when there are rhyming words. Can your child think of any words that rhyme with the following cat (hat, bat, mat, sat) dog (log, bog, fog)? Can they think of their own rhyming words?				
Music	Listen to these different instruments. https://www.youtube.com/watch?v=mkqxl8S_VEg How do they make your child feel, which do they like and why? Listen again and get your child to move to the music the instruments are making.				
Phonics	This weekly timetable/overview will be emailed to you each Friday between 3pm and 4pm. The emailed version will include links to Read Write Inc lessons. We are not allowed to put them on our website for copyright reasons. Please note they are only active for 7 days and expire each Friday afternoon. The home learning teacher this week is Miss Alcock so please email her on raclock@bricknell.hull.sch.uk if you need any further guidance. Please note, emails sent after 4pm on Friday will not be responded to until Monday from 8.30am onwards.				
Expressive Arts and Design/ Understanding the World	 <p data-bbox="327 1155 703 1294">Draw and label a mode of transport that travels on land.</p>	 <p data-bbox="730 1155 1243 1294">Make your own play mat, adding a road and train tracks. You could do some junk modelling to make your own</p>	<p data-bbox="1182 970 1644 1129">Add a car park and put numbers on your cars. Park them in the correct space. You could try parking them in the space 1 less/1 more.</p>	 <p data-bbox="1671 1171 2033 1294">Painting with wheels. What colours can you make?</p>	
Maths	This week we will be learning all about the number 6, subtraction, addition, halving and weight. Follow this week's maths activities on the school website Home Learning section. Click here to take you there: https://bricknellschool.co.uk/home-learning-reception/				

PLEASE NOTE THIS TIMETABLE/OVERVIEW IS A 2 PAGE DOCUMENT AND CONTINUES UNDERNEATH

Writing

Write about one of the illustrations from the story. Use one of these or choose your own.

Ask your child if they can hear the initial, middle and/or end sounds in words and get them to write what they can hear. Tell them to use 'Fred Talk' to say the sounds in the words to help them hear them. We use 'Fred Talk' in our phonics lessons so it is a term they should be familiar with.

If your child is hearing all the sounds in the words get them to have a go at writing a caption, for example 'the duck in the truck', 'sheep in the jeep'.

Encourage your child to use pre-cursive letter formation, use the alphabet strip below to help you.

*Please take a picture of anything that you do and put it on Tapestry. Any queries this week please email Miss Alcock on ralcock@bricknell.hull.sch.uk
