

Materials

Words we will learn and use

Bricks and mortar

wood

plastic

concrete

rough

straw

transparent

dull

shiny

waterproof

smooth

leather

What will I learn?

- To name and describe the properties of the materials we investigate.
- What waterproof materials can be used for.
- That plastic is useful but must be recycled or it can be bad for the environment
- To recognise and talk about some similarities and differences between houses and homes in the UK and in different countries.

Stories we will read

Development Matters

- Recognise some similarities and differences between life in this country and life in other countries.
- Explore the natural world around them.
- Describe what they see, hear and feel whilst outside.
- Recognise some environments that are different to the one in which they live.
- Compare and contrast characters from stories, including figures from the past.
- Use talk and new vocabulary to explain how things work.
- Articulate ideas and thoughts in well-formed sentences using a range of connectives (because, but, etc).
