

In the Garden

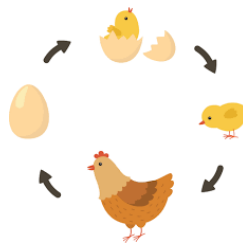

Nest

Respect

Potato shoots

Life cycle

Eid

Plant care

Farmer

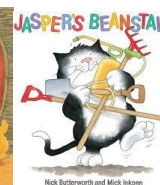

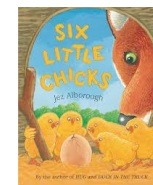

What will I learn?

- Learn how some people celebrate Eid and how they celebrate.
- How to care for a plant.
- The lifecycle of a potato and explain what they see.
- The life cycle of a chicken.
- How birds make a nest.
- The role of a farmer.
- How to respect all living things in our outdoor area.
- That different communities celebrate different events and why.

Development Matters

- Use their senses in hands- on exploration of natural materials.
- Talk about what they see using a wide vocabulary.
- Show interests in different occupations.
- Plant seeds and care of growing plants.
- Understand the key features of the life cycle of a plant and an animal.
- Begin to understand the need to respect and care for the natural environment and living things.
- Continue to develop positive attitudes about the differences between people.

Books we will read:

Aspiration

Knowledge

Achievement
