Butterfly

Lifecycle of a butterfly

Starting school

What will I learn?

- I will observe and begin to make comments on the lifecycle of a butterfly.
- I can observe things closely using a magnifying glass.
- I can make a simple guess about what might happen.
- I can identify and discuss natural features in the school grounds and talk about where bugs live.
- I will learn to recite and perform the rhyme 'Incy Wincy Spider.'
- I will learn to listen attentively to stories and retell them confidently.
- I can talk about how I feel moving to school from nursery.

Development Matters

- Use their senses in hands- on exploration of natural materials.
- Talk about what they see using a wide vocabulary.
- Understand the key features of the life cycle of a plant and an animal.
- Begin to understand the need to respect and care for the natural environment and living things.
- To make sense of their own life story and family history.
- Engage in extended conversations about stories, learning new vocabulary.

Nursery Rhyme and Books we will read:
